Sir:

Before examination of the above-identified application, please amend same as follows:

IN THE CLAIMS:

Please ADD new claims, in accordance with the following:

Sub B4
A1
15. (NEW) A flat plasma display, comprising:
an internal power supply circuit;
an internal power supply controlling unit producing power supply control signals
controlling an operation of said internal power supply circuit;
an external signal detection unit detecting a specific signal input to said plasma display
from an external source; and
a drive control signal control unit controlling drive control signals of said plasma display
in response to said detected specific signal.

16. (NEW) A flat plasma display as claimed in claim 15, wherein said internal power
supply controlling unit controls an operation of said internal power supply circuit by changing
said power supply control signals in response to said detected specific signal.
